A photograph of a rustic stone wall with a dark wooden door. A large, light-colored ceramic vase with a green plant sits in front of the door. A black lantern-style light fixture is mounted on the wall above the door. The wall is made of irregular, light-colored stones. The sky is visible in the upper left corner.

Relax in tranquil luxury

The impressive Can Calma pretty much has it all. The six bedroom house has been stylishly reformed, has stunning sea views to the island of Formentera, great outside space for summer living and, to top it off, is only two minutes drive from Cala Jondal's famous beach clubs.
