## Overview

How much is a breathtaking sea view worth? Let's not try and put numbers on it, but for many the emotional benefits are huge; the mind wanders, relaxation starts, and the soul gets replenished. Villa Sandia's view is second to none. This luxury six bedroom villa is set high up a hill overlooking the beautiful sandy bay of Cala Bassa, as well as having 180 degree views up and down Ibiza's striking west coast. The villa itself is as equally inspiring and luxurious. The villa's Moorish style with cool patio bedrooms create a wonderfully calm and relaxing atmosphere. It's an Ibiza holiday home of the highest quality and is a fantastic place from which to explore some of the island's finest beaches, bays and restaurants.

# Accommodation

The spacious living and dining areas open out on to the giant pool terrace and enjoy the lovely views. There are 6 guest bedrooms at the villa as well as a staff bedroom. The bedrooms are all en-suite apart from two sharing a bathroom. The house has been recently renovated and the decoration is very stylish throughout. There is also an inside gym on the lower floor.
