## South coast gem

Can Torrent is a lovely 5 bedroom modern villa set in the pine covered hills of the island's chic Southern coast. The house sits on a large plot and is very private. The villa has been decorated in a cool minimalist style with a warm Indonesian twist making it a lovely house for summer living. It is a great spot to relax and to explore the amazing nearby coastline.

The villa is in a superb location, only a 5 minute walk to Es Torrent beach and restaurant, seen by many as the best beach restaurant on the island, and only 4 minutes drive from Cala Jondal's famous beach clubs.....oh, and there's also Es Xarcu beach and restaurant, just 3 minutes away, which also competes for Ibiza's best seafood restaurant title! The pretty village of San Jose is an 8 minute drive and Ibiza Town only 20 minutes away.

# Accommodation

Think spacious and you have Can Torrent. All five bedrooms are a great size, the open plan living area is plentiful and the kitchen is fantastic making it the perfect house for entertaining. Three of the bedrooms are ensuite and two share a bathroom. You walk straight from the inside dining area to the outside dining terrace and the pool terrace so there is a great focus to the house. All the accommodation is on one level and the house has been well prepared for high quality rentals. The accommodation works very well for both groups and family holidays.
