Villa Sky overview

Villa Sky sits high above the ocean on Ibiza´s beautiful south east coast. The views are breathtaking and you feel like you are floating as you look down into azure Mediterranean waters. Villa Sky was designed by award winning local architect Jaime Serra. It has pure, crisp, modern lines and has a high specified finish making it a stylish and comfortable house to enjoy your Ibicencan break.

Located in the secure gated community of Roca LLisa, the villa is only 12 minutes from Ibiza town, 20 minutes from the airport and only 2 minutes from the island´s golf club. You can access a multitude of beaches within 20 minutes including Salinas and Es Cavallet to the south and Aguas Blancas to the north. The quiet and beautiful little beach of Cala Olivera is just below the house and a 3 minute drive and the increasingly chic Talamanca beach, just north of Ibiza town, is only a 12 minute drive.

Accommodation

Villa Sky has two floors and sleeps up to 8 people. There are four bedrooms which all have en-suite bathrooms. All of the bedrooms are well proportioned and all benefit from stunning sea views and their own terrace. The master bedroom is very spacious with a lovely stone bath. Three of the bedrooms are upstairs and one is downstairs. The ground floor hosts the open plan living area and kitchen which link seamlessly with the pool terrace which has a covered dining area and BBQ. Everything is close by and within easy reach as the house sits on a fairly compact mountain side plot.
