Overview

Leaving the pretty village of San Jose and following a country lane that snakes west through beautiful 'campo' for about 3km you arrive at the lovely Can Tomas. The villa is nestled on the side of a hill surrounded by terraced fields sprinkled with olive, algarroba (carrob) and almond trees. There are lovely views across the valley to the church of San Augustin as well as westward sea views to the distant headland of Cap Negret. Can Tomas has just been stylishly renovated and is a little gem which we are delighted to offer our guests. It's a delightful house for a family or small group of friends to relax, breath in the beauty of the Ibiza countryside and truly unwind.

Accommodation

This three bedroom idyllic villa is very well located and perfectly formed. There are three ensuite bedrooms that can work as doubles or twins. The inside dining and living areas benefit from the stunning valley views and lead onto the large outside terraces and pool area. There is a great covered outside dining and kitchen area with inbuilt BBQ to enjoy some long Mediterranean lunches. And there are plenty of large comfortable sun beds to lie back and rest on straight after.
